DOMINION BRIDGE COMPANY, LIMITED

26th December 1922

To the Shareholders of

DOMINION BRIDGE COMPANY, LIMITED

Your Directors submit the Annual Report of the Company together with balance sheet as at the 31st October, 1922, and Profit and Loss Account for the year ended that date.

The output of all plants for the period was 45,457 tons against 38,047 tons the previous year, an increase of 18½%, and the value of new business written during the year was \$5,015,000, exceeding by 25% that of the previous year. The demand, however, is still well below the fabricating capacity of Canadian plants and low prices have continued to rule in consequence.

The year was started with a moderate volume of work, taken of necessity at prices which were not expected to show any profit, but for the sake of maintaining the organization and to absorb a portion of the overhead expense. The low

DOMINION BRIDGE COMPANY, LIMITED

prices have persisted, due to keen competition, but costs and overhead expenses have been further reduced and, because of this and the larger volume of business, the profits are better than expected at the time of the last Annual Meeting.

Your Directors declared quarterly dividends at the rate of 4% per annum. This necessitated drawing to some extent upon the substantial surplus profits which the Company had been able to set aside in previous years.

Inventories of steel stocks for manufacturing and manufacturing supplies have been taken at conservative prices.

Your Company is in a strong liquid position, its plants have been well maintained and the manufacturing facilities generally improved. The stocks of raw material are well assorted and saleable and the organization is on a low but efficient basis, all tending to keep your Company in a good position to meet continued adverse conditions or to enable it to profit by a return to more normal business conditions.

You will be asked to approve the dividends declared by your Directors during the past year and also to approve an alteration to By-Law No. VII increasing the number of Directors constituting the Executive Committee from five to six.

DOMINION BRIDGE COMPANY, LIMITED

Meetings of your Board of Directors have been held monthly, the books of your Company have been regularly audited and the Certificate of your Auditors appears on the Financial Statement herewith submitted.

By Order of the Board of Directors,

G. H. DUGGAN,

President.
